CHICAGO

S1P-Safetyshoe with sole plate for dry work

Extra light, extra strong. This Athletic safety shoe combines optimal comfort with optimal protection. And it's got the looks too.

Thanks to the knitted textile upper and the Nano Carbon Composite protective nose, the Chicago is particularly light and comfortable. Ideal for workplaces where safety and long-lasting comfort are top priorities.

The TPU GripForce® Easy Twist outsole offers maximum grip, is durable and highly recyclable. The integrated lacing prevents pressure points from hooks and eyes and the Hydro-Tec® Antibacterial lining provides optimal breathability. Chicago exudes pure sportsmanship and is designed for performance and looks.
