FIND
THE RIGHT
SHOE SIZE

1. Place the bottom of this sheet of paper against a wall. Then position your heel by the arrow against the wall and your foot within the foot pattern.

2. Make sure your foot is flat and mark the end of your foot with a pen/pencil.

3. Add 5 to 8 mm to determine your size.

IS THE SCALE CORRECT?

MAKE SURE THAT YOUR PRINTING SCALE IS SET AT 100%. PRINT AND USE A RULER TO CHECK IF THE SCALE IS CORRECT.
